

Inspiration

For inspiration, read Isle of Wight NHS Trust's 2023 winning case study and read the case studies from the runners up.

- Devon Partnership NHS Trust worked with trade unions to transform their disciplinary, performance and grievance policies and procedures.
- Health and Social Care Northern Ireland worked in partnership to update their flexible working offer.
- Liverpool University Hospitals NHS Foundation Trust worked hard to bring about organisational change through partnership working.

Watch the HPMA webinar to meet the finalists webinar to learn more about our winner and runners up.

Finally... good luck! We look forward to hopefully seeing you at the 2024 HPMA Excellence in people awards ceremony later this year.
